10/11/2024 23:08 Q. What happened on 7th of November?

A. I got us a hotel room. She seemed interested in her phone. I asked to look at it, had a look at her phone and seen she's been playing up. I left, she started texting me saying she's suicidal. I tried to get back in the hotel. Nobody would answer so I climbed up the side of the building. I did that because she said she had taken sleeping pills to harm herself. I got into the room and used her phone to call 111. I saw she had been messaging an ex bandito about coming to tax my Harley. I got mad at that and ripped her jewellery off her neck. I then tried to leave the room. I went down the hotel lobby and she's hit me on the head with a laptop. Then I left.

Q. Why did you keep her phone?

A. It's my phone, she's taken enough of my stuff. She's been living rent free at my home and now trying to take my Harley.

Q. How did she get a bleeding and swollen ear?

A. Maybe when I got the necklaces.

Q. How did the blood get on the blankets in the hotel room.

A. It'll be when she hit me with the laptop.

Q. Do you know how her iPad screen got cracked.

A. It was the day before, it was on the bed and the tv cabinet got put on it and cracked it.

Q. She's told us she called for help and you strangled her, explain that?

A. It'll be me trying to take the necklace off.

Q. Were you trying to take the necklaces?

A. Yea because she was trying to sell my Harley so I was showing her how she liked being taxed.

Q. She's told us you kicked and punched her in the head and ribs?

A. She's full of shit.

Q. She told us as you left you stated if she told anyone about this you would kill her kids?
