10. Towards the end of this I opened the door of my apartment. This is when I saw the noise was coming from the door directly opposite us in the hallway. The room number was 110.
11. I then slammed my door loudly to attempt to stop the altercation.
12. I did not want to interfere as I was with my daughter and concerned for our safety.
13. I then called the Police to report what I had heard.
14. A bit later on I saw the Police inside the same room that the arguing had come from.
15. I did not see either of the occupants at any point.
16. This is all I remember of the incident.
