- PC 4.1.
- RH I just really had a question cos...  
5
- PC Um...
- RH Once you get up all the notes, once you get up all the notes sorry.
- 10 PC Yes. You called in today you said though, right.
- RH Yeah and yesterday.
- PC Perfect, thank you. Just one second. Can you confirm your name for me?  
15
- RH Rylee HOLLIMAN.
- PC Yes, how can I help?
- 20 RH Hi, so I had a question because I'm just sitting here um, with my stepdad and my mum now. Did, we were wondering if he's still messaging us off my mum's phone is there any way you can find out where like, that is and arrest him. I don't know, like we were just thinking about it.
- 25 PC Um, yeah the standard for us to be able, the threshold for us to legally be able to get that information through the um, Spark and whatnot is very high. Um...
- RH Yeah.
- 30 PC ... so what, what specific threats is he making?
- RH Oh, he's just stolen all her things and he's threatened our lives and stuff. Cos it was just a bunch of things, it was...

MB And he's crazy.

RH It's just crazy and she's just...

5 PC Yeah.

RH ... yeah. She was just wondering where her stuff was and whether she might get it back.

MB We're half expecting him to turn up and (inaudible).

10

PC Yeah.

RH Yeah, well my mum's just worried that he's gonna turn up and do something worse or go mad so she's just worried with him being out and about.

15

PC Yeah, of course. I'm, I'm so sorry that's happening. Um, I, I wish we could right, but but we just legally...

RH No, that's not - of course, of course.

20

PC Yeah. Um...

MB Yeah, (inaudible).

25

RH But if, and since it is my mum's number, on legal grounds, she could go and find out where that phone is though and call her company, correct?

MB (Inaudible) Vodafone, I'm going to call Vodafone.

30

RH Cos like he's stolen her phone and messaging us off her phone if that makes sense. So, she...

- PC Um, I wouldn't know if, if um, the telephone services do that unfortunately. Um, you'd have to ask them themselves.
- 5 RH Okay, cool. No that's all good. Sorry to waste your time. We were just wondering.
- PC Yeah. Absolutely not – that's fine. Um, just because you've called back, I do need to put in the job um...
- 10 RH Yeah.
- PC ... cos you've called. Ha-, there's been new threats since you last called?
- 15 RH Yeah, well he's just continuing to message on my mum's phone and just like, and we've just been trying to ignore it but it's, it's just like, and we're worried if he's gonna do something further. We don't know if it's empty threats.
- PC So can I just be specific for a second. What threats is he making since you last had contact with us?
- 20 RH Um, just like oh, whereabouts are our vehicles and where we live and like, potentially doing, nothing specific, like it's very elusive if you get what I mean. It's just making us feel uncomfortable at home.
- 25 PC Yeah, yeah.
- RH Yeah, it's incessant, it's constant.
- PC Just bear with me, I'm just chucking that in.
- 30 RH No, yeah. I just wanted to log something just in case anything does happen, so you guys have all the info lodged and everything.
- PC You haven't had any further contact right, from us since he last called?

RH No.

PC Can you just confirm when he last had contact you guys?

5

RH Yeah. Pardon?

PC Can you just confirm when he last sent a, a text or a call or anything?

10 RH Probably about 10 minutes ago. 10, 20 minutes ago. Yeah, we've just not been retal-, like messaging or I haven't.

UKM (Inaudible).

15 RH My stepdad has because he's obviously defending his own property and whatnot.

PC Yeah.

RH But it, that, yeah. That's not my number.

20

MB (Inaudible).

PC Yeah.

25 RH Yeah.

PC Um...

RH That's (inaudible) number, yeah.

30

PC Um, I can see the last job we had at a New Windsor Road address. Are you still there?

MB (Inaudible).

- 10 RH We don't like need anyone, we're just, yeah.
- PC Yeah.
- 15 RH Keeping (inaudible) documented or so it's there if, and if anything were to happen because it's been a hectic day and it's (inaudible).
- PC Yeah, yeah absolutely. Sorry, just one second. I'll type this in and then I'll ask some more questions.
- 20 RH No, yeah go for it. Thank you. But we believe um, the guy is still in the New Market area because he doesn't have his keys and...
- MB No, no (inaudible).
- 25 RH Do you reckon he'll be back?
- PC Okay, yup.
- RH (Inaudible).
- 30 MB (Inaudible).

- PC Back, back home at New Windsor?
- RH Yeah, potentially.
- 5
- PC Right.
- RH New Windsor?
- 10 MB Yes. He could be there.
- RH Yeah. He could be there. She doesn't, yeah she doesn't know sorry.
- MB (Inaudible). I don't know, I'm a bit like we're (inaudible)
- 15 RH Yeah, that's why she...
- MB (Inaudible).
- 20 PC Mm.
- MB Move on.
- PC So I can't, I can't very, I can't really hear your mother in the background very well.
- 25 RH Sorry, she just said um, no, sorry. She just said that she's not sure where he is so that's making her a bit more on edge and she doesn't want him to show up at any of like myself or my address or follow through with any threats or anything.
- 30 PC So I think I just missed part of that. Did she, he doesn't know where um, your address is, right?
- RH He does. He does.

PC He does, oh okay.

RH That's why we're a bit concerned because he was literally here last night.

5 PC Yeah.

RH Kind of before everything happened today, he was tryna act all nice and everything and yeah, now he's not – he's a crazy animal from the looks of everything. But, I'm just, I'm just a bit concerned as well cos I live here. Mum's just here just as a safe haven for now and figure it out but I don't want him showing up here either, so.

10 PC Um...

RH Pardon?

15 PC Just, just to keep you guys safe in the meantime I'm thinking is there anywhere that you two would feel more comfortable? Is there a friend or a family member that he doesn't know?

20 RH Mm, no.

PC Okay.

25 RH Mmhmm, no. Well, he's, yeah well no. Yeah, he's been past my sister's house. We can't go there. He knows where she lives, so, yeah. (inaudible) but no, we can't go there. (Inaudible) cos I need to work.

(Inaudible voices in background).

30 PC Okay and just to make sure right, the stealing of your mother's phone um, you, you told us all that before, right?

RH Yeah, yeah this was all lodged on the initial earlier one don't worry yeah

- RH No, you're fine.
- 10 PC Yeah, okay so thanks for calling back and obviously that is pretty concerning right. Um,  
I'm sorry that no one's been in contact with you so far. Um, but...
- RH Thank you, you're the only...
- 15 PC ... I've lodged a new one again, okay.
- RH Yup.
- PC Um, if there's any further like if there's escalation...
- 20 RH My mum did have to like lodge a different separate complaint to mine this morning. She's seen the, she's been and seen the Police, but we were just concerned if like anything – for my address ...
- PC Oh.
- 25 RH ... yeah, is continuing like, yeah, we just, yeah.
- MB (Inaudible).
- 30 RH Just, yeah making you guys aware more than anything.

PC Okay.

10 RH And yeah.

PC Yeah. Yeah thanks so much for keeping us in the loop on that. So again, officers um, will be in contact. Ah, once again, I just can't promise when that will be exactly, um...

15 RH No, that's fine, like we, we, we're gonna go back to the, a Police Station in the next two days cos they, they asked my mum to come back (inaudible) just more worried that he's got her phone and is still messaging and, yeah.

MB (Inaudible), you know.

20

PC Yeah.

RH That's all.

25 PC Yeah, yeah of course. Um...

RH Thank you though. We're gonna call the phone company and see if they can actually just disconnect the number so he can stop all the nonsense and ...

30 PC Yeah, that would be great. If you do, do get good news on that just ring us back and let us know as well if you can.

RH Yeah, yeah we will. Awesome, thank you.
