19/12/2024 I was working an early shift out of the Balmoral Police Station on the Family Harm High & Complex Risk Team.

07:29hours I spoke with Meredith Connell in relation to male Kaz FRAIDER, date of birth: 16/12/1979, who has active charges before the court.

Meredith Connell advised me FRAIDER has requested a bail variation to have an exception to his curfew to allow him to take his father to medical appointments. I was tasked to confirm if FRAIDER's brother Jaden FRAIDER lived at the address and was able to be the carer for their father instead of Kaz.

10:15hours I went to 2/192 New Windsor Road, New Windsor and spoke with Kaz FRAIDER, who is on bail at the address.

FRAIDER presented at the door and was cooperative with Police. He confirmed he is seeking a bail variation as Meredith Connell has described. He advised me lives alone at the address with his father and is the only one who can look after him.

I conducted an Immigration New Zealand check on Jaden FRAIDER, same date of birth (they are twin brothers) and confirmed he is currently out of the country.

Departed: 03/04/2024 23:30hours  
Disembarkation Port: Brisbane, Australia

Kaz rang Jaden on cell-phone and we spoke. Jaden confirmed the above departure details, that he is living in Australia and not able to take care of his father. He said his father is very frail, can't walk unaided, and Kaz is the only person able to look after him.

In a previous interaction with Kaz FRAIDER, on 15/11/2024, I met Kaz and Jaden's father, unknown name. He presented at the door upon my door knocks. He was moving with a walking frame, appeared old, frail and hard of hearing.
